

**LATVIAN ENERGY STRATEGY
DILEMMAS IN THE CONTEXT
OF BALTIC "ENERGY RIM"**

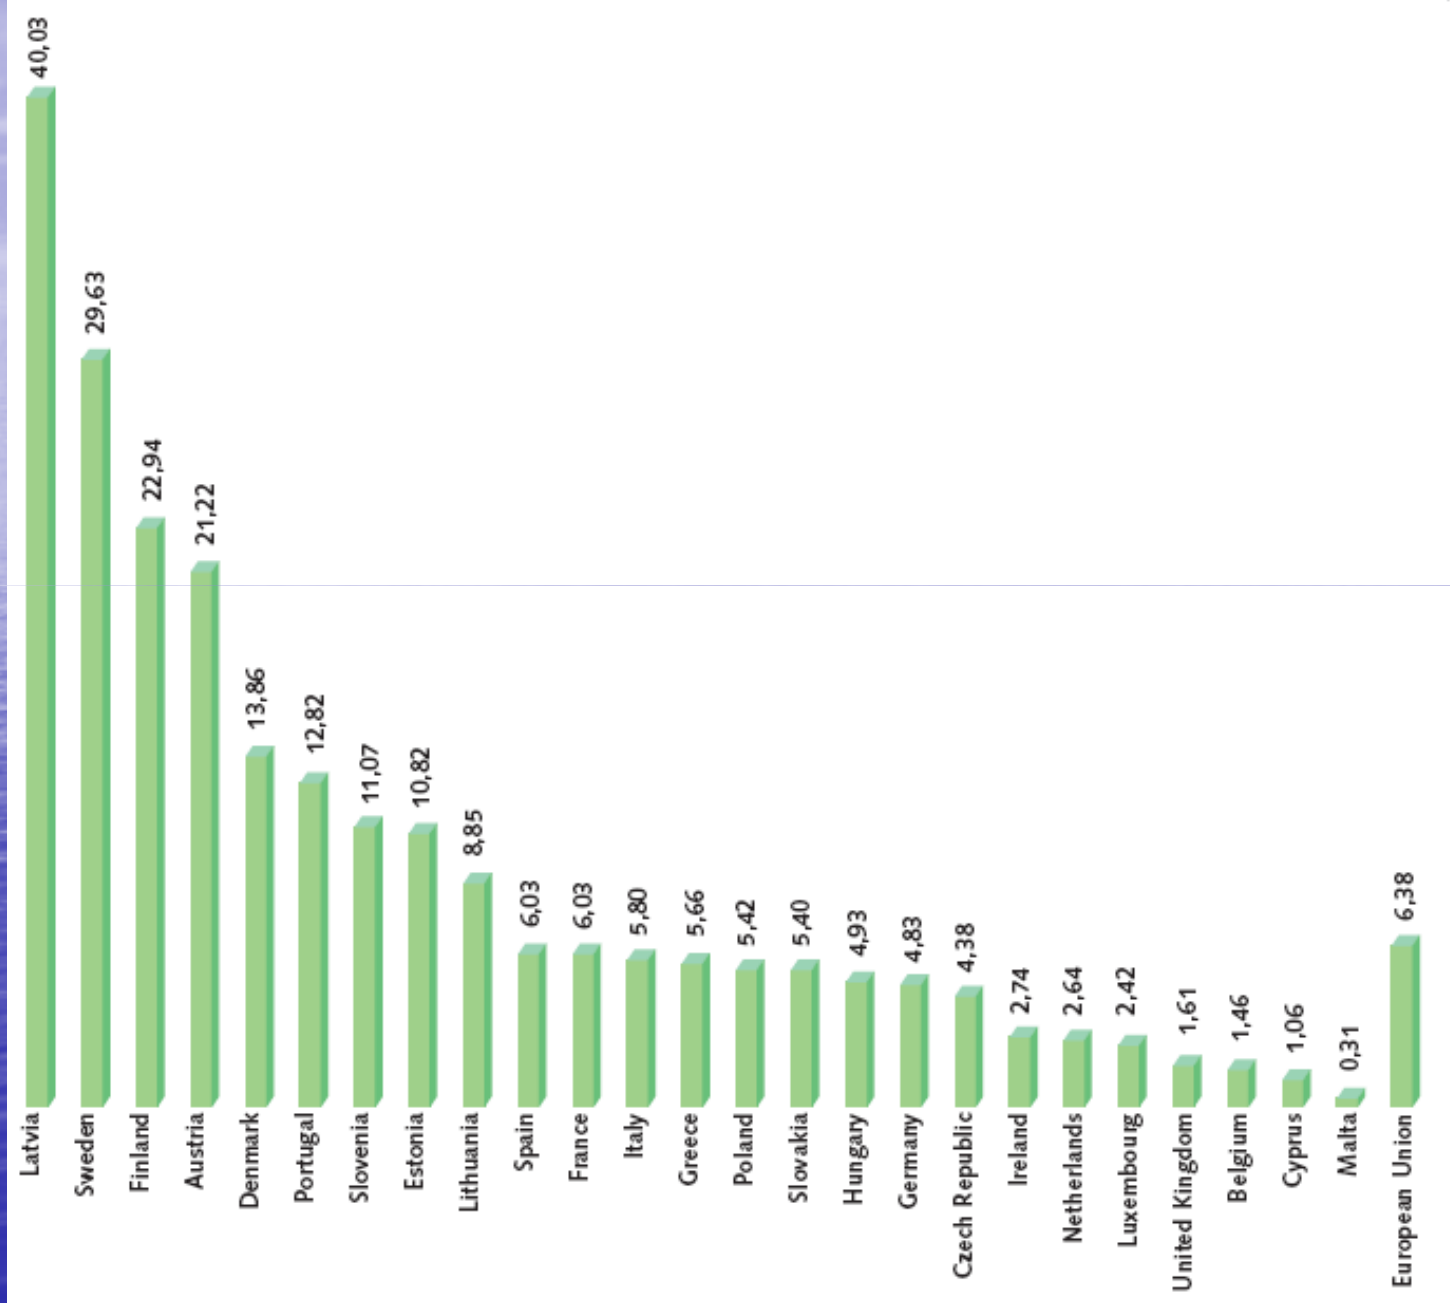

1. Latvian energy mix: consumption by fuel

Latvia energy consumption by sector

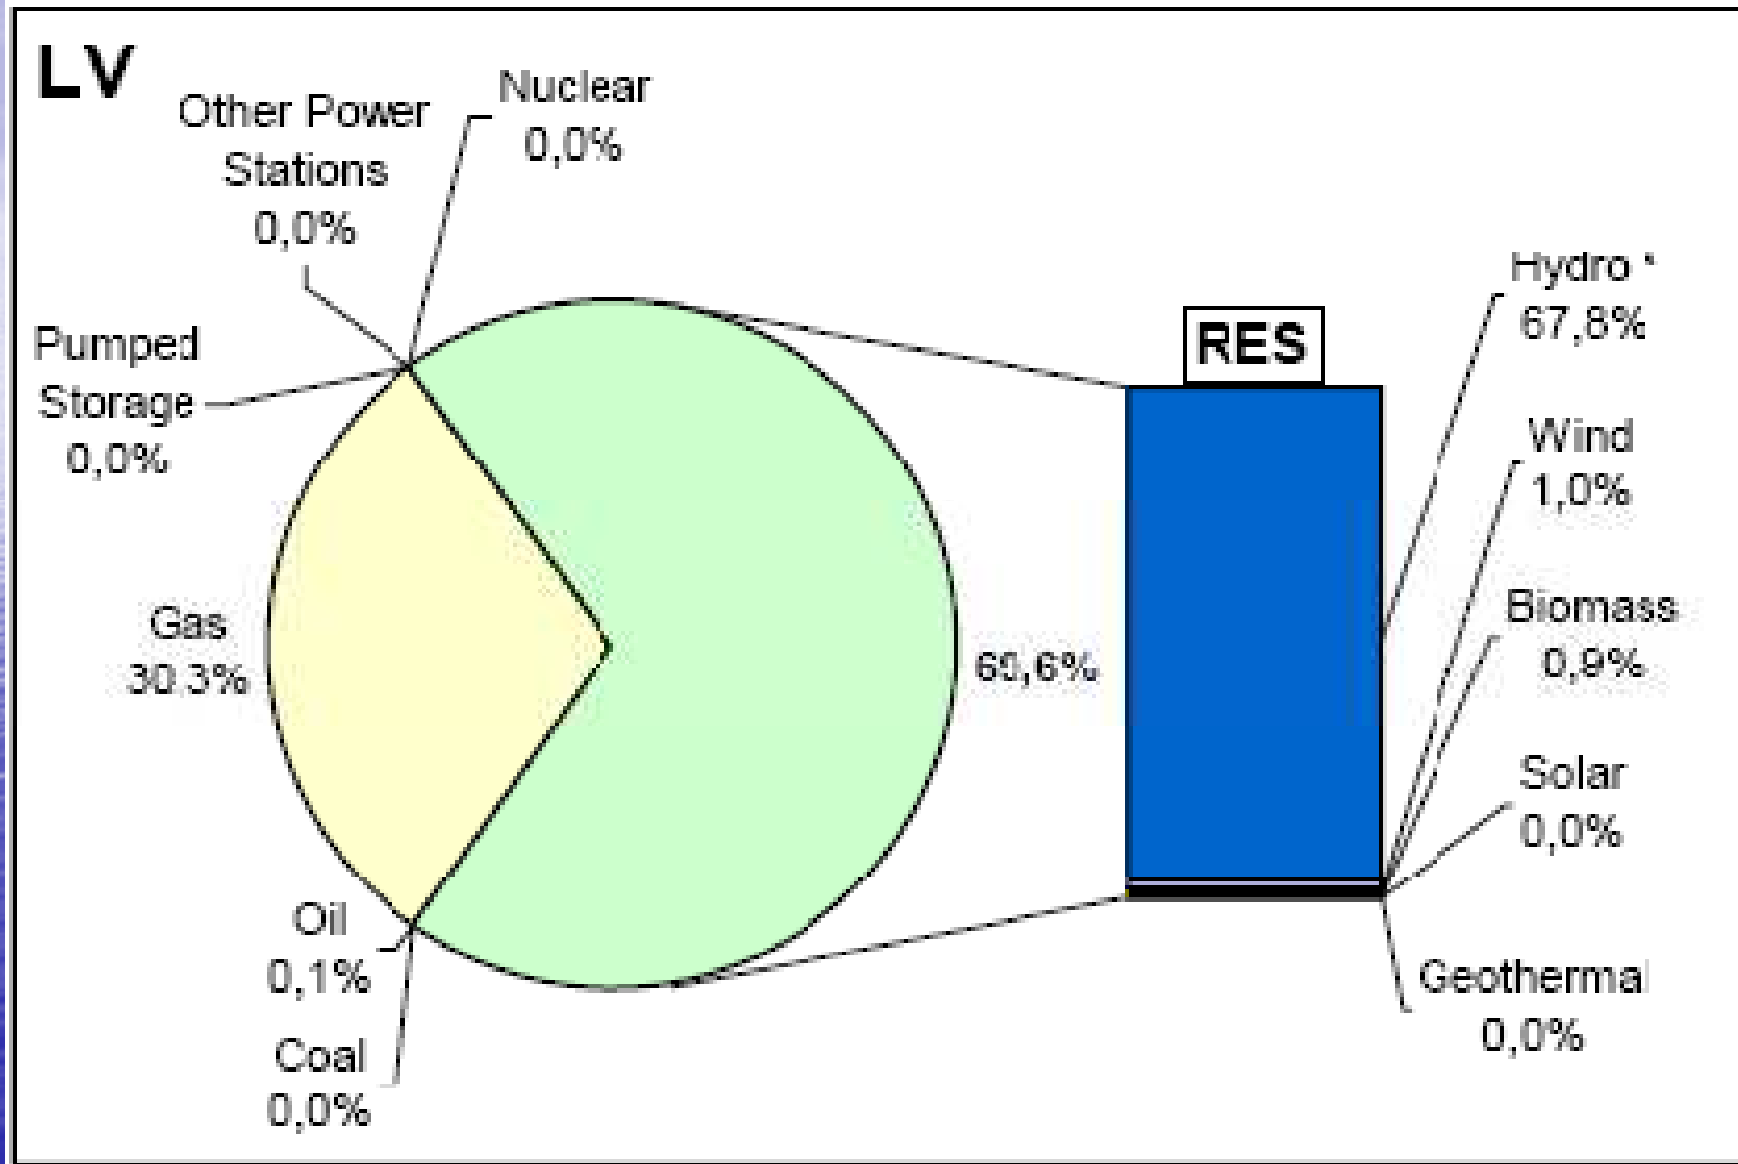

Share of RES in EU primary energy production (2005)

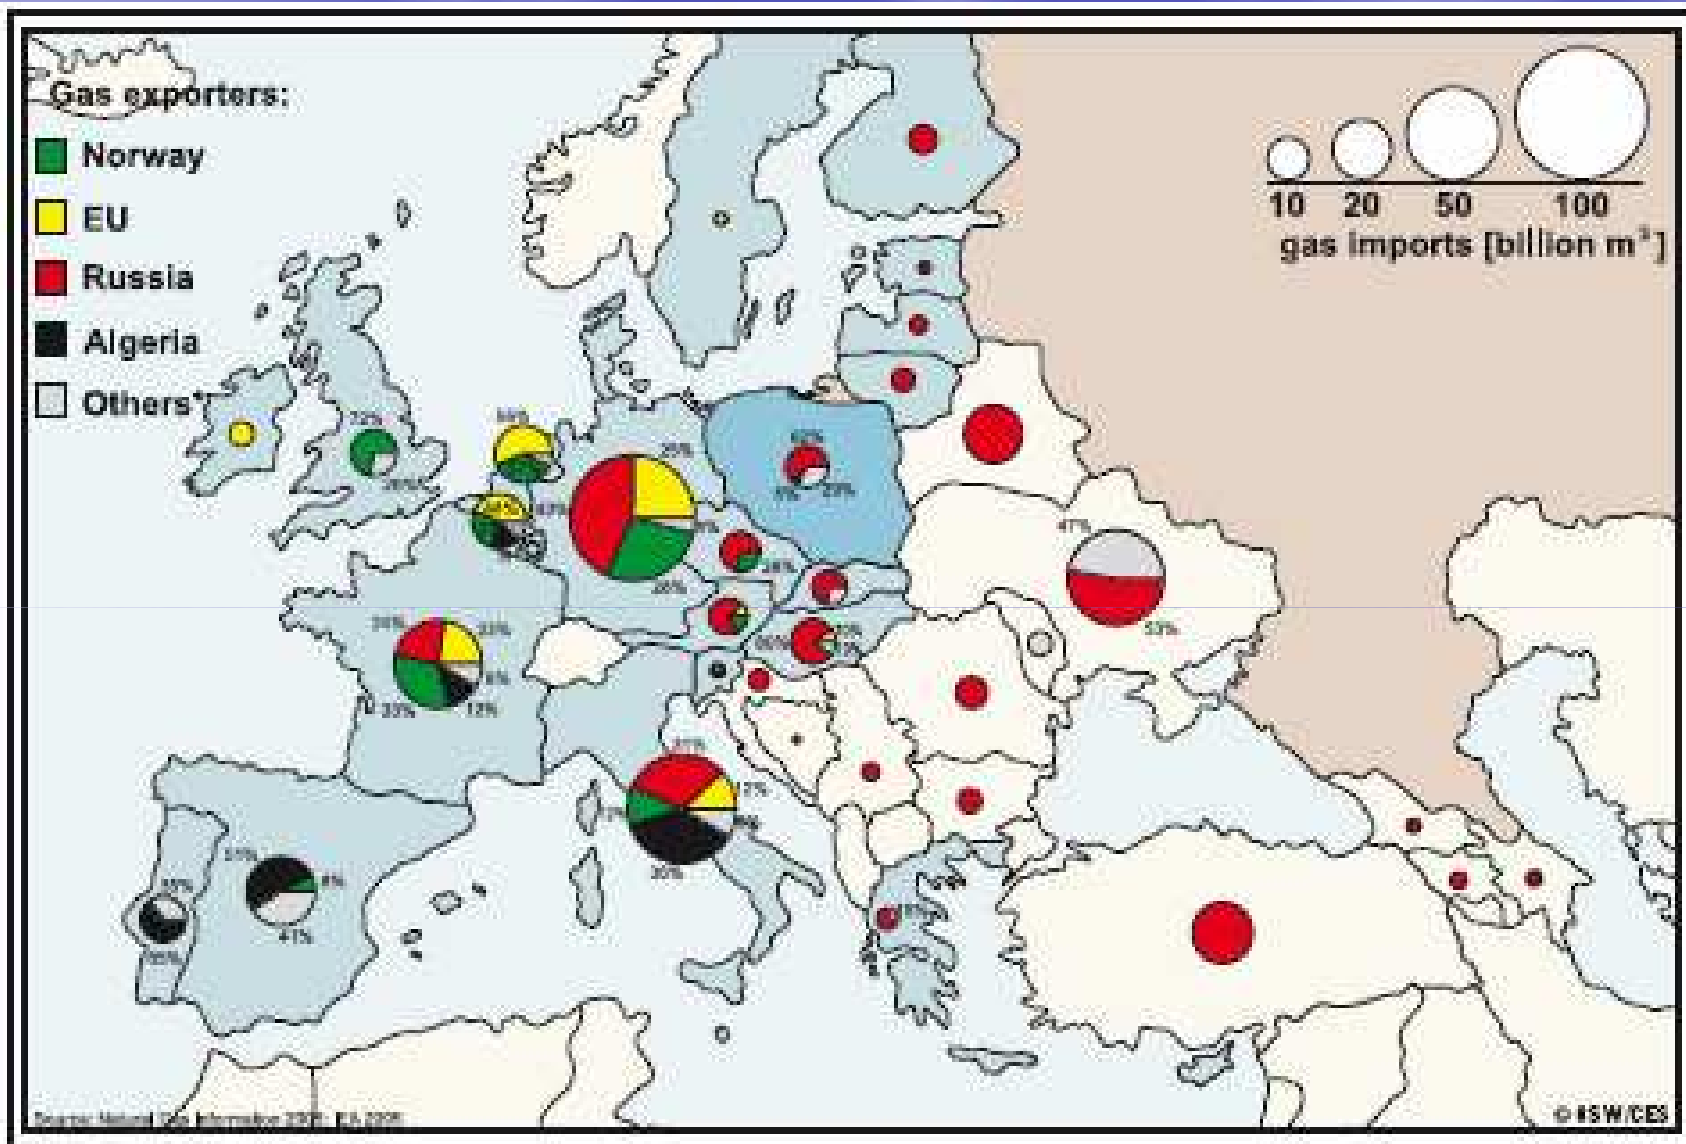

Share of RES in EU gross electrical consumption (2005)

Gross Electricity Generation by fuel (2005)

* For Central and Eastern Europe - Central Asian gas transported via Gazprom pipelines.
